EXPERIENCE

Social Media Manager

Fitwize4Kids *Dec 2024 - Feb 2025*

Led the rebranding of Fitwize 4 Kids' social media presence across Facebook, LinkedIn, Nextdoor, Google, and Instagram, ensuring fresh, engaging content to attract followers. Managed Constant Contact for outreach and created eye-catching Canva templates to promote events and showcase facility activities. Captured and curated on-site videos and images to boost engagement, while optimizing the Google Business Profile for greater visibility.

Web Design Coordinator

City of Boynton Beach *Jan 2021 - Jan 2023*

Managed the design and content of the City of Boynton Beach's external and intranet websites using Drupal (CMS), JavaScript, Bootstrap, PHP, and SharePoint, ensuring compliance with corporate web standards. Led web-based automation efforts, gathered software requirements, and created conceptual designs. Coordinated with departments to develop and maintain web pages and applications while exercising independent judgment in project planning and implementation.

Software Developer

Freelance *Jan 2016 - Dec 2020*

Created and updated clients' professional websites using VS Code/Adobe Creative Suite with JavaScript, HTML, CSS3.

Information Security/Web Designer

National Parkinson Foundation *Dec 2013 - Dec 2015*

Managed and updated website content and images for the South Palm Beach County chapter using WordPress, HTML, CSS3, PHP, JavaScript, and Photoshop.
